

YOUNG LIVING™

# A·R·T® CREME MASQUE™

PRODUCT INFORMATION PAGE

## Product Summary

Young Living has brought the age-defying and health benefits of the world's finest spas directly into your home with the A·R·T Creme Masque. This formula is designed to deeply moisturize and fortify your skin's natural defenses using our exclusive blend of hyaluronic acid and pure essential oils. The Creme Masque targets the effects of aging to help you maintain healthier, younger-looking skin.\*

All-natural botanicals such as cucumber extract, aloe vera, vitamin C, and green tea are added to soothe, protect, and tighten delicate areas of the face, leaving skin feeling more youthful and radiant.\* Use this product daily with any of the A·R·T line of products to discover the lasting benefits of essential oil-infused skin care.

## Primary Benefits

- May help soften the appearance of fine lines\*
- Helps protect, soothe, and tighten skin\*
- May help fortify the skin's natural defense system\*
- Promotes healthy, radiant skin

## Who Should Use the A·R·T. Creme Masque?

- Those seeking a daily natural masque that is free of harmful synthetic ingredients
- Individuals seeking support for a more youthful appearance
- Those interested in utilizing natural, spa-quality products from the comfort and convenience of their home

## Suggested Use

- Wash face with A·R·T Gentle Foaming Cleanser; pat dry.
- Apply A·R·T Creme Masque in a thin layer over the entire face, avoiding eyes.
- Leave masque on the face for 20–25 minutes.
- Remove masque residue with moist towel or tissue.
- You may also use the masque overnight to help deepen the moisturizing effect.
- Follow up with your choice of Young Living facial-care products.

## Cautions

- Keep out of reach of children.
- If you are pregnant, nursing, taking medication, or have a medical condition, consult a health professional prior to use.

## Did You Know?

- The word "spa" is derived from the Latin *Sanus Per Aquam*, meaning "health through water."
- Hyaluronic acid was first used in a patent application in 1942 by Endre Balazsm, who used it as an egg white substitute in his bakery.
- The gel in the aloe vera plant is almost identical with the pH balance of human skin.
- Vitamin C plays a vital role in maintaining healthy skin.

## Complementary Products

- A.R.T Gentle Foaming Cleanser
- A.R.T Day Activator
- A.R.T Night Reconstructor
- A.R.T Purifying Toner
